Depending on the school (government or non-government) and type of application (visa class of the parent and dependant) different fees and enrolment processes may apply.

### Health Cover

It is a requirement of the Department of Immigration and Citizenship (DIAC) that holders of student visas should have Overseas Student Health Cover (OSHC). Full information, including how to claim a refund of medical expenses is provided during Orientation.

### Information Collection

Information is collected on this form and during your enrolment in order to meet our obligations under the ESOS Act and the National Code 2007; to ensure student compliance with the conditions of their visas and their obligations under Australian immigration laws generally. - Refund calculations are based on a maximum 20 week course block(s), or the course duration, whichever is the lesser.
- The refund (if any) will be paid within four weeks after receiving a written claim by the student.
